O.A.P.

O.A. Parris

1. I am go-ing home to - day In the nar-row gos-pel way; Soon I'll be at rest a - bove, There to sing re-deem-ing love.

2. Je - sus will my pi - lot be, O'er the dark un-cer-tain sea; With all pain and sor-row past, I will an-chor safe at last.

3. In my bless-ed Sav-ior's arms I'll be safe from all a-larms; From all suf-f'ring I'll be free, Broth-er, will you be with me?

With the an-gels I shall stand, In that ho-ly hap-py land, Broth-er, will you meet me there? Heav-en's joys with me to share.

With the an-gels I shall stand, In that ho-ly hap-py land, Broth-er, will you meet me there? Heav-en's joys with me to share.
