

A GOOD TIME COMING.

O.A. Parris

1. Tho we have our trou-bles in this world be-low, And some times our hearts are made to sigh; We are press-ing on-ward for we sure-ly know
D.S. There to live to-geth-er, nev-er more to die,

2. When I think a-bout the man-y man-sions there, Then I look a-cross with long-ing eye; To the heav'n-ly por-tals shin-ing bright and fair,
D.S. There to live to-geth-er, nev-er more to die,

3. I am striv-ing to be read-y for that day, And I know the time is draw-ing nigh; When the Lord will come to take the saved a-way,
D.S. There to live to-geth-er, nev-er more to die,

Fine There's a good time com-ing by and by. There's a good time com-ing by and by, by and by, When we meet our loved ones in the sky;
D.S.

There's a good time com-ing by and by. There's a good time com-ing by and by, by and by, When we meet our loved ones in the sky;
